MEET Glenn Jabaay PharmD, Ig Certified Pharmacist

Glenn is an IG-Certified Pharmacist with over 35 years of experience in home infusion services. Glenn works diligently with our experienced team of Ig Certified Clinical Specialists to improve patient care, customer satisfaction, and overall outcomes.

Communication with patients, nurses, and prescribers are her top priority. By standardizing the quality of IG practice, every patient and prescriber of Vital Care of Crown Point can feel confident that they are receiving the best care possible.

vitalcare®
INFUSION SERVICES
of CROWN POINT

Vital Care of Crown Point provides **safe and convenient infusion therapy** services for patients with acute and chronic conditions, **in the comfort of their own home.**

We are now serving patients in Indiana and Illinois.

We make it simple to refer patients:

- We handle all prior authorizations
- Our team can help with appeal letters
- We provide 24/7 service and nurse coordination
- We keep the referral source and the patient updated throughout the process

Vital Care of Crown Point makes it simple!

Call or fax your referral and our team of infusion experts will handle all the details.
